### **NOTICE OF FINAL HAZARDOUS WASTE POST CLOSURE FACILITY PERMIT DECISION**

To Whom It May Concern:

In accordance with the requirements of California Code of Regulations, title 22, section 66271.14, the Department of Toxic Substances Control (DTSC) is issuing this Notice of Final Hazardous Waste Post Closure Facility Permit Decision for the following facility:

Montezuma Hills Facility  
6292 Little Honker Bay Road  
Rio Vista, California 94571  
EPA Identification Number CAD 079089512

On July 15, DTSC informed the public of a 45-day public comment period on the proposed permit. The comment period was from April July 15, 2008 through August 28, 2008. A California Environmental Quality Act draft Notice of Exemption was prepared and was also available for review during the same time period.

DTSC did not receive any comments during the public comment period; as a result, no changes have been made to the proposed permit. The Final Hazardous Waste Post Closure Facility Permit becomes effective on October 20, 2008.

A copy of the complete administrative record for this permit can be reviewed at:
